

LORMA-AREX R1 AWARDS ACTIVE AGENCY HEALTH COORDINATORS

Amianan Tribune Feb. 13-19, 2010

JANUARY 27, 2010 - SAN FERNANDO LA UNION — About forty representatives from the various government agencies in Region 1 attended the awarding ceremony of active agency health coordinators at the NEDA Conference Hall.

The awardees did outstanding work in coordinating with Lorma's Corporate Services in ensuring that their respective agencies took advantage of the 30% - 50% discounts on chosen medical procedures and laboratory tests commonly done during an annual physical checkup. Recipients of the award included the following: Ms. Luzviminda B. Hate of BFAR, Ms. Celia Tactacan of CHED, Mrs. Rosalia Pastor of DA, Dr. Maribel Aromin of DEPED, Mrs. Ofelia De Vera of DOF, Mrs. Susan B. Bornas of DOJ – Parole & probation, Mr. Marcial Ronqui of DOJ-ORSP, Mr. Antonio Kiwas of GSIS, Ms. Marlyn Sanchez of NEDA, Dr. Maria Concepcion Estrada of Philhealth, 1st Lt. Romelia Quilo of the Philippine Navy, and Dr. Bernard Canosa of SSS.

The annual PE was part of the Lorma-AREX Health and Wellness pact, in addition to the health and wellness symposiums. Lorma is one of the few hospitals offering GSIS discounts to active members, their dependents and pensioners as part of the GSIS Hospitalization Support Program, and each health coordinator was encouraged to campaign in their agency to avail of the discounts.

The overall feedback from the participating agencies was that they were satisfied with the services of Lorma and with the way AREX President Oscar P. Mabalot promotes employee welfare through health maintenance and education.
