

LORMA GETS ACCREDITATION AS “MEDICAL TOURISM HOSPITAL”

Amianan Tribune Jan 2-8, Baguio Midland Courier Jan 10

SAN FERNANDO, LA UNION -- Lorma Medical Center, having complied with the requirements prescribed by the Department of Tourism, was granted accreditation as a Medical Tourism Hospital pursuant to the provisions of Executive Order Number 120 and the DOT rules and regulations.

Lorma Medical Center, the only Category 4-level private hospital in the Region and the only fully ISO 9001:2000 certified hospital north of Manila, is also the first and only private hospital accredited for medical tourism north of Manila.

Many tourists sought medical services in hospitals like Lorma Medical Center due to the high costs of healthcare and long waiting times in developed countries. Some procedures, such as dental and cosmetic surgeries are not covered by medical insurance. One can avail of comparable healthcare at a lower cost, in addition to the low costs of international travel. After their medical procedure, patients can rest and recuperate at local tourist resorts before heading back to their home countries.

Lorma Medical Center aims to continuously provide world class medical facilities and improved medical services as it develops partnerships with other stakeholders in the tourism industry.
